Full list of author information is
available at the end of the article

Correction to: Adv. Model. Simul. Eng. Sci. (2018) 5:26
https://doi.org/10.1186/s40323-018-0119-2

The original version of the article [1] unfortunately contained an error in the figure. The corrected Fig. 6 is presented in this erratum.

The original article [1] has been updated.
